

Resident Advisor Application Questions

1. Please explain why you've chosen to apply for the Resident Advisor position. What values are currently most significant to you, and how you will exemplify them in your role as an RA?
2. How have your experiences at Ursinus influenced your perception of the way members in a community should live together? In what ways will you communicate and encourage these standards/values/ideals with your residents?
3. Tell us about a person you admire or an experience you've had that impacted or changed the way in which you understood the world? What about this person or experience will you keep in mind as you enter the RA role, and how might it help you?
4. Describe skills you possess that make you an asset to the role and the team. Which aspects of the role do you anticipate will be the most challenging for you and why? What steps might you take to overcome these challenges?

Please prepare a collage about yourself on an 8 ½ x 11 sheet of paper. Be creative! It might include pictures, drawings, music, or quotes. Bring your collage with you to your interview.
