# POST-GRADUATION STATUS

Information obtained about graduates from the previous graduating class is compiled and presented each year in the *Ursinus College Post-Graduate Destination Report*. This report provides detailed information on employment patterns and graduate/professional school placements for the Class of 2020. Sources of information for this report include graduate self-reports (i.e., written survey, online survey, phone survey, and email), social media and faculty and staff reports of student status.

The National Association of Colleges and Employers has established national standards and protocols to guide higher education institutions in collecting and disseminating data on career outcomes of graduates. The standards provide a common deadline and consistent metric to be used in reporting and comparing summary outcomes from higher education institutions across the country. Data is collected six months after graduation.

Information for the Class of 2020 report is based on data collected by **December 31, 2020** with a knowledge rate of 81%<sup>1</sup>. The Ursinus career outcomes rate is 85%.<sup>2</sup>

## Diversity

This table represents the extent to which the respondents are representative of the entire graduating class in terms of gender and race/ethnicity.

<i>Characteristic</i>	<i>Respondents (%)</i>	<i>Entire Class (%)</i>
<b>Gender</b>		
Male	46.8%	47.4%
Female	53.2%	52.6%
