

# GRADUATE PROGRAMS AND CERTIFICATES

**Ursinus graduates receive a 10% tuition discount.  
Build your credentials today.**

Our faculty aren't just experts in their fields — they're leaders changing the course of industries and the fate of communities. Our programs don't just offer insight into the newest trends or practices, they are centers of innovation and active networks of opportunity. Our alumni aren't just successful, they're fulfilled and passionate about what they do.

Whether you're a career-changer or a career-advancer; an aspiring entrepreneur or a life-long-learner, we have a program designed to help you find success and purpose.

- On campus, online and hybrid models
- Full or part-time structure
- Career Development Center resources and services
- A network of over 75,000 alumni
